

RANDOLPH PTO

RMS PTO Meeting Agenda

March 13 at 6:00 pm

- I. Call to order Elizabeth Morrison, President
Chelsea MacMeekin filling in (Elizabeth absent) called to order at 6:06pm
Attendees

- II. [Meeting Minutes from February](#) Brantley Alvey, Secretary
Approved

- III. [Treasurer's Report](#) Laura Caldwell, Treasurer

- IV. Principal's Update Jennifer Schroeder, Principal
Bathrooms - this is continuing to be a problem - too many kids and too often, its a hang out zone and preventing kids who really need to go from being able to go; exploring more options ie Safepass, an online platform for tracking; also kids cannot use the restrooms between class or during first 10 min of class or last 10 min
Dismissal - still trying to make this quicker, smoother... going to try dismissing all the kids at once within a 5-7 min window so that teachers can come outside and help monitor
Cell phones - PTO is purchasing cell phone holders for each classroom to attempt to keep phones out of kids hands during class; also trying to make this one process, the same from classroom to classroom
Spanish update - parents voicing concerns that the virtual program is difficult, need extra tutoring; Principal Schroeder advises parents having difficulties (or students directly) reach out to Mr. Small for support; parents also advised that we should monitor; could we/PTO pay for a Spanish tutors to be present during this class?; FYI 6th grade is purely online canvas course while 7th grade is NCVPS
Naviance update - in the past has been for high school; CMS is pushing out to 8th graders and requiring that they take various quizzes about their interests etc.
French update - they are being dispersed to other classrooms and on working online
Mr. Small - michaels.small@cms.k12.nc.us

- V. Recent Successes
 7th grade dance Elizabeth Morrison, President

RANDOLPH PTO
